We furnish information to landlords pertaining to tenants who do not pay their rent. Landlords can have the information either before or after the tenants move in. It 's cheaper, in many instances, to obtain the information while the house is empty. We evict tenants who do not pay. We publish the Rating Book that tells of the people who pay their debts. We collect more money from honest debts than any collection agency in the world, and hence we know from our records those who pay.

# The ONLY Shaft-Driven Electrics

The Greatest Advance Ever Made in Electric Motor Cars

After many years of experimenting we have perfected a shaft drive, which excels any chain drive in efficiency, and have adopted this new transmission, because of its unquestioned superiority over every other type. This is in accordance with the practice of all high grade gasoline motor car manufacturers, both American and foreign.

We Now Present for the First Time A COMPLETE LINE OF SHAFT-DRIVEN ELECTRICS
